## Car phone holder with wireless charger GARI 15W USB-C

Code: **09178-02**

The GARI 15W USB-C gravity phone mount with wireless charger is the perfect solution for drivers who value convenience and freedom from cables. Simply place your phone in the mount, and it will automatically start charging thanks to the 15W wireless charging system. The mount's arms grip the phone securely, ensuring stable and safe holding. The phone width should be between 65-88 mm (without a case). Fast charging and reliable grip are the key features of this innovative mount.
